

**TOMS RIVER**

**FIELD OF DREAMS**

Dear Friends

In the hopes of raising the funds needed to build the Toms River Field of Dreams for our special needs children and adults, we have created a website to inform individuals of our project:

**[Tomsriverfieldofdreams.com](http://Tomsriverfieldofdreams.com)**

The website contains pictures of the children we will be assisting , individuals who have volunteered at our numerous fundraising events as well as designs of the complex. For detailed information please view the video by Mr. Christian Kane. President of the TRFOD.

As well as informing those in our community and Ocean and Monmouth County residents, We have created a YouCare Donation page for any organization, individual or company to help assist us to build this great complex:

**[www.youcaring.com/tomsriverfieldofdreams](http://www.youcaring.com/tomsriverfieldofdreams)**

Lastly, if you have any questions, an idea for fundraising, can supply a trade to assist in construction of the site or willing to assist us in any manner, please email us at:

**[trfieldofdreams@gmail.com](mailto:trfieldofdreams@gmail.com)**

## TOMS RIVER ELKS SPECIAL CHILDREN'S COMMITTEE

Congratulations to Christian & Mary Kane for all the hard work you have done and will still be faced with to make this dream of yours a reality for not only your son Gavin but, for all the Children of Ocean and Monmouth.

Toms River Elks Special Children's committee is committed to you in this mission. And any future plans you may come up with.

With that being said we would like to thank the following people who have given us time to make this event possible.

**George Coyne** - Who brought the idea of teaming up with Field of Dreams to us and who is constantly coming up with new ideas your dedication to Special Children is amazing. Know that we are on board with you no matter what project you are working on.

**Janel Moreno** - And **all** of her **crafters** for all the decorations and who spent numerous hours here at the lodge. We cannot thank you all enough for the new friendships that have developed and for all your help.

**Kathy Siddons (Chef)** - For the suggestions on what to serve, getting some of the food donated, And then preparing this wonderful meal.

**Nancy Hanna** - for seeing that everything tonight runs smooth, getting donations for the auction.

**Mark Levy**- for his help with the shot girls

To everyone that either brought a ticket or gave a gift for the auction we truly appreciate it. It is because of your support "our children" get to go to Camp Moore and have a place like Field of Dreams to go to and just be a kid. God Bless you all

Last but certainly not least our husbands **Dennis DeMey and Jimmy Dolan**, who had to do anything we had no one else to do, from cutting pallets and golf clubs, running to get things we forgot or just being there to support us.

Special Children hold a place in both of our hearts. Camp Moore and Field of Dreams are two of the best things out there for "Our Children" so we hope that everyone will continue to support both.

Sincerely,

Kathy DeMey & Charlene Dolan  
Co-chair Toms River Elks SCC
